

V1 – the new name for the Rail Station Shuttle

Also including a new direct link from Falmouth and Penryn.

What is VAMOOZ?

VAMOOZ is offered by local bus company First Kernow and is the new way to book bus tickets for the link between Truro School and Truro Railway Station.

We're also introducing a new link from Falmouth and Penryn, so students living along the route can get to and from school without changing over between the train and the bus and buying a ticket for both.
